Casting a life line to the inner city

September 2017

Re-connected

Monique, one of our spiritual daughters, with her son, **Isaac (our grandson!)** Monique just received her Masters in General Business Administration from Capella University. Monique also credits the Lord with all her accomplishments in life and says she was 6 years old when she and her twin Omek first met us in Roger Williams community. **Congratulations, Monique!!**

What a privilege Cheryl, Robin and **Martha Brown experienced** recently connecting at a missions service and ladies meeting at **First Assembly, Memphis, TN, where Dr. Thomas Lindberg is pastor.** Cheryl and Martha shared briefly in their chapel and later spoke to the ladies group with Women's Leader, Robin Cross, (pictured middle). **Martha** told them she was 8 years old when she met Pastor Bill and Mrs. Cheryl in her first Sidewalk Sunday School in Mobile's Roger Williams. Today she is employed at a Memphis public school mentoring fifth graders. She is a graduate of University of Alabama, Tuscaloosa with a Bachelors Degree in Psychology and Human Development Family Studies. She presently works with City Year AmeriCorps serving an inner city school for one year and then will begin work on her masters. **Martha** gives the Lord all the credit for her accomplishments and where she serves today in Memphis.

Words from the director...

Summer is over and classes are ready to begin. We look forward to having our students begin mentoring classes right after Labor Day weekend.

Thank you to those who faithfully stand with us each month.

I am still dealing with the pain in my shoulder that occurred as a result of surgery this past May. Please continue to pray for my healing.

Praise:

New and returning mentors excited about answering God's call to share the gospel with our students.

Prayer Requests:

1. Students to open their hearts and lives to Jesus.
2. More laborers
3. Increased finances

Sincerely,

Bill and Cheryl Gray, Missionaries
Mobile's inner city

Mentor training is always a time for the family of mentors from several area churches who work together to mentor our students get together for supper, inspiration, teaching and training in righteousness. *“That the man of God may be thoroughly equipped for every good work.”*

II Timothy 3:16-17

Mentor Jessica Trippe designed 5 mini rooms of a house pictured on this table to help us mentors comprehend the message Robert Munger wrote years ago entitled, *My Heart Christ's Home*. “Munger imagines for us what it would be like to have Christ come to the home of our hearts. Room by room we consider with our Lord what he desires for us.” Paul wrote the Ephesians 3:16,17 *that God may grant you to be strengthened with might through His Spirit in the inner man, and that Christ may dwell in your hearts through faith.*” Weymouth translation: *“That Christ may settle down and be at home in your hearts through faith.”* It was a devotional helping us be more intentional and practical helping mentors examine areas of their spiritual life so that Jesus is welcome in every area of our life, not just some. Please pray for us as we share the gospel each week with students who need a mentor to break it down through object lessons and personal life application.
