GRADUATION: While it should be a time of celebration, ceremony, pomp and circumstance...all we could do is send a gift card, money, or food to remind the graduates how special they are. Thank you all who support Metro Ministries in that while we have not been able to meet with our mentoring classes these last weeks of the semester, God has opened other doors for us to bless, inspire, encourage and pray for brothers and sisters in HIS BODY who need our help. Pastor Bill and Cheryl look at these times as God given moments to encourage young people. Our goal has always been to inspire others to not only believe in Jesus but to follow Him in difficult times. Please continue to pray for our young people as they transition to the military, work force and college.

We have learned that in El Salvador and Guatemala, people who are hungry and need resources wave a white flag to alert they need help. The mission need this month was Missionary Don Triplett, El Salvador, who is the founder and director of Kings Castle. He has raised up hundreds of young people who responded to the call of God on their lives. During the Covid19 quarantine, 100 of his employees had to be sent home and could not be paid. Metro Ministries has sent an offering to help our brothers and sisters who are in desperate need.
