Casting a life line to the inner city for over three decades

February, 2020

Prayer: talking to God.

Wanting God more than our answered requests.

Thanking Him for All He's done for us.

Happy Valentines month. May we reflect God's love in our prayer and actions.

Love: is patient, love is kind. It does not envy, it does not boast, it is not proud. I Cor. 13:4

It is not rude, it is not self seeking; it is not easily angered, it keeps no record of wrongs. :5

And now these three remain: Faith, hope and love. But the greatest of these is love. :13

Feb 2020: Thank you for your continued prayer, monthly financial gifts and all the love shown to our children and mentors in this New Year. We count it a privilege to be entering our 31st year of ministry

The first full week in January we hosted an individual prayer time for students, their families, mentors, pastors or anyone who would come for prayer. We answered the call to fasting and a Daniel fast to help us concentrate on Who the Lord is, what His vision and plan for our lives, and seeking Him.

Four of us mentors have been busy writing lessons from Old Testament stories some of our students may have never heard, making a Jesus connection, and an application to our lives. We have mentor training, set the new rosters, and begin the winter spring mentoring classes. Please pray for us as we share the message of Christ's love to a world who needs to see in action an authentic Jesus that they can personally know Him and follow Him. We appreciate all of you.
