Connections and bridge building

4 members of the Pledge group shared insights with the Mobile Section pastors on how to connect with members of another race helping us to be more intentional on building bridges instead of walls.

3 members of the Refuge Church pastoral staff (formerly Moffett Road A/G) were able to connect with us this summer , meet students and learn about life in Mobile's inner city. This was Pastor Eric Danner's and Youth Pastor's Tyler Ryals first time to visit the ministry. Brandon Trippe, Evangelism pastor and his wife, Jessica have been active in our ministry. Jessica has been a mentor and leader for 7-8 years now. We thank God for faithful leaders. We are still needing more leaders from local churches to go into homes this fall and help with the Bible studies.

Fountain of Life, Saraland, Pastor Rodney Maroner, poses with Leader Pat Lee and Cheryl and the students who were able to attend their family outreach and July fireworks spectacular! It was a blessing!

Pat also took her students skating the next night when Fountain of Life had their 3rd night of Family Fun held at Saraland's Skating Rink! We honor Pat Lee and her husband, Eugene, for connecting with her students and her neighbors by hosting a block party . It was a successful event as over 150 people showed up for games, food, fun and the gospel was shared.

Bill was able to connect with founding pastor Stan Broadus at Lake City's 40th church anniversary. (Guntersville,AL) This is the first church Bill attended after he found Jesus November 23, 1986. Bill was there 2 year before he was transferred to Mobile in his banking job. Stan pastored the church for 32 years before retiring. Pastor Gary Craft has been there 8 years.

Bill has been Executive Director of Metro Ministries 32 years connecting with those who don't know Jesus and helping build bridges with those who follow Him in discipleship.

THANK YOU FOR YOUR PRAYERS AND FAITHFUL MONTHLY SUPPORT
