

# Merry Christmas From Metro Ministries!

*Thank you for all of the prayers and financial support in 2021!*

*Thanks to the donations of a family that has been apart of Metro for a very long time, we had the privilege to help this young couple out. They have a two year old and another on the way. They had no furniture when they moved into their apartment.*

*After studying, we got the chance to celebrate Pat Lee's birthday. One of her students even brought cupcakes!*

*To learn the memory verse, these four had to put the pieces in order without speaking. They did a great job and had a good time doing it!*

*We had a wonderful time taking a couple of our ladies to a tent revival hosted by Saraland First Assembly of God. They were really blessed by this time of worship and preaching.*

*We are so blessed that so many people love our kids so well. It truly does motivate us to continue trying to love other people and their kids in this same way.*
