Spiritual emphasis and maintenance upgrades

Cheryl praying with Billy and Teresa Graham, two staff pastors from Redemption Church, Saraland, who lead prayer, Evangelism Explosion, and many discipleship groups.

"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in various forms." 1 Peter 4:10

Jan 3-7 was a week of fasting and prayer.

We were able to pray with many, but still desire to pray with those who couldn't make it due to covid complications.

Bridge Building is one of our intentional purposes at Metro Ministries. We count it a privilege to network with Redemption Church who prays for us, financially supports and has provided leaders who serve here. God is in the business of networking HIS body to shine light in this dark world.

We attended a Holy Spirit conference where we received a fresh touch from the Lord to proceed doing His work and ministering His grace and purpose.

Thank you to all who continue to support and pray for us. Our ministry facility is over 27 years old and continues to need upgrades. Eagle Electric was able to change out all our obsolete fluorescent lighting and put in new LED's. Thanking the Lord for this improvement as well as Tillman's Weather Solutions who were able to clean out our gutters and seal a roof leak.

Thank you to those who continue standing with us through all the challenges. Cheryl is just finishing fighting her second round of covid. We ask you to pray for us as we enter this semester of discipleship classes.
