GLOBAL PRAYER**

Supporters of Metro Ministries Global Prayer:

Jan 2024

Thank you for your consistent monthly and yearly support during 2023 in the ministry transition to Metro Ministries Global Prayer. We are in awe of you who pray and support this ministry in the way you have for many years. God is so faithful to us and to you as you support missions.

The last Sunday of the year we were privileged to hear Evangelist Joe Oden, National Prayer Center Director with the Assemblies of God at his dad's home church here in Mobile. What anointed words of wisdom and challenge as Evangelist Joe encouraged us all to not only pray in the New Year but ask God for an awakening within us, the CHURCH and a drawing of the lost to Jesus.

Bobby, Joe and Noah Oden; 3 generations of prayer warriors were an encouragement to us

That sums up what Pastor Bill and Cheryl plan to do in the New Year as doors open for us to travel stateside and overseas taking Prayer Task Force Teams to missionary and ministry leaders.

Thank you for standing with us. We hold you in our prayers and ask you to do the same for us as we move forward.

Bill and Cheryl Gray, Missionaries
